## MOMBASA

### Build bridge at channel, hoteliers urge State

Hoteliers want the national and the Mombasa county governments to build a bridge at the Likoni Channel. Kenya Association of Hotel Keepers and Caterers said a conducive environment was key to marketing the South Coast. "Even if 10 or 20 ferries are bought, it will not be a lasting solution," said Mr Titus Kangangi, the CEO of Diani Reef Resort during a forum at the hotel.
