Kenya Airways fetes top travel agents

Kenya Airways on Friday rewarded the Kenyan travel agents who have contributed to growth in revenues and subsequent reduction in net loss during the 2015-2016 financial year. BCD Travel scooped the top prize while Carlson Wagonlit Travel, HRG Kenya, FCM Travel Solutions and Muthaiga travel completed the list of top five agents in Total Revenue Performance 2016. Kenya Airways' Managing Director and Chief Executive Officer Mbuvi Ngunze accredited the success of the airline business and revenue growth to the sterling efforts of the travel agents. "Travel agents contribute the bulk of our revenues as a business; and are the backbone of our business," Mbuvi explained.
