Tourist agency hires 57 officers, its first batch

The Tourism Regulatory Authority's board has approved the appointment of 57 permanent officers. TRA chairman Sammy Ngumbao said this was the first batch of officers hired since its establishment in 2014. He added that they were recruited from the Ministry of Tourism and other ministries and government agencies. The senior- and middle-level managers and tourism officers will be deployed to TRA headquarters at Utalii House, Nairobi, and regional offices.
