## Wildlife mobile app launched

USAID launched an android-based mobile phone application to support anti-poaching and human wildlife conflict prevention efforts dubbed *Wild*, a wildlife information and landscape database. USAID Kenya and East Africa Deputy office chief for environment Brad Arsenault explained that protecting wildlife from poaching and illegal trafficking helps secure the global heritage against sophisticated criminal networks. The launch took place at the Masai Mara Conservancy.

Mara conservancy officer Daniel Lamurt, Mara Elephant project officers Denis Karia, Dickson Nlapiti and Mara North conservancy officer Peter Koislikir

USAID Kenya and EA deputy director Brad Arsenault, deputy regional development outreach officer Madeline L. Sunderland and prepared chief of party Scott McCormick.

Conservation scientist Nikki Best, deputy chief of Party Prepared Project Cheisea Keyser and director of monitoring and evaluation, Tanzania People and Wildlife Fund Christy Jhu.

Mara North GIS administrator James Mwangangi and KWS officer Wycliffe Murero.

ILAB Africa director Joseph Sevilla.

The Chinese Embassy in Kenya held an early celebration to mark the 67<sup>th</sup> anniversary of the founding of the People's Republic of China, which falls on October 1. Attended by Senate Speaker Ekwee Ethuro and Chinese Ambassador to Kenya Liu Xianfa, the parties pledged to build on that partnership through a series of concrete investment and development projects on many occasions.
