#### **SECTION B: PROCEDURES**

# 1.0 TITLE: PROCEDURE FOR UNDERTAKING RESEARCH AND DATA ANALYSIS

#### 2.0 PURPOSE

The procedure sets the minimum standards for undertaking research at KUC to provide knowledge of the hospitality Industry/

#### 3.0 SCOPE

This procedure covers the research process and publication of research findings.

#### **4.0 REFERENCES**

Research policy

Structure of a proposal

Structure of a Report.

#### **5.0 TERMS, ABBREVIATIONS AND DEFINATIONS**

KUC: Kenya Utalii College

DORCP: Director of Research and corporate planning.

#### **6.0 RESPONSIBILITY**

The Director of Research and Corporate Planning shall have overall responsibility for ensuring that this procedure is implemented, monitored and evaluated.

#### 7.0 INPUTS

Budget allocation Funding Proposal guidelines Research Team Version 3:Revision 2: /05/23

#### 8.0 METHOD

8.1 The DORCP shall call for proposals once a year.

8.2 The DORCP shall ensure funds for the research are budgeted in each financial year.

8.3 The research team shall be identified to conduct the research.

8.4 A concept paper shall be prepared for the research and presented to management for approval.( for External Research )

8.5 The research team shall prepare the Proposal.

8.6 The research team shall be facilitated with funds and other necessary resources to conduct research fieldwork.

8.7 The research shall be carried out within the proposed timelines.

8.8 The DORCP shall ensure that the research report is prepared in accordance with the report writing guidelines (see Report writing guidelines Appendix D).

8.10 The DORCP shall ensure that the report is disseminated to relevant stakeholders.

8.11 The DORCP shall commission a copy of the report to the library for reference.

8.12 Research shall be published in a peer-refereed Journal

#### **Research Data Analysis**

8.13 The department shall present the data to be analyzed. Data received shall be recorded in the document register KUC/Admin/R/128

8.13 Data Entry shall be performed.

8.14 Data shall be analyzed as per the research requirements within 1.5 months.

8.15 Research survey reports shall be provided to the departments that requested for the analysis.

#### **13.0 APPENDICES**

#### **RESEARCH REPORT GUIDELINE**

KENYA UTALII COLLEGE KUC/ADMIN/R/183 NAIROBI

#### **Chapter I: INTRODUCTION AND BACKGROUND OF STUDY**

**1.0 Introduction** 

Introduce the chapter and indicate the contents of the chapter

#### **1.1 Background of Study**

This puts the research into context to introduce the research concepts.

#### 1.2 Statement of problem

Provide the precise gap of the research and what it is supposed to solve.

## **1.3 Study Objectives/Hypothesis**

State the overall goal of the problem

#### 1.4 Justification of study

State the beneficiaries of the study and how they will specifically benefit from the study findings

#### 1.5 Definition of Terms

Define the key terms of the study as they are to be understood in the research.

#### Chapter II: LITERATURE REVIEW

#### 2.0 Introduction

Introduce the chapter and indicate the contents of the chapter

#### 2.1 Literature Review

Structure is guided by the specific research objectives where empirical review of literature is done.

Other than Classical theories, all citation should recent not be more than 5 years old.

#### 2.2 Conceptual framework

This is graphical presentation of how the variables relate and interact with each other.

#### Chapter III: RESEARCH METHODOLOGY

#### 3.0 Introduction

Introduce the chapter and indicate the contents of the chapter

#### 3.1 Research Design

State the design used and justify the choice.

#### 3.2 Population

Describe the population from where your sample of research will be selected from. Provide the number of entire population

#### 3.2.1 Target Population

From the population describe those that are most fit to be your respondents and numbers where appropriate.

#### 3.3 Sampling Design

Explain the method you will use to come up with your sample. e.g purposive, Stratified, Random etc.

#### Sample Size

Justify the formula used to come up with your sample size.

#### **Data Collection Methods**

Explain what methods will be used to collect data.

Ensure the instrument answers all the research objectives

#### 3.3 Data analysis methods

Explain the methods that will be applied in analyzing the data and how the data will be presented.

#### Chapter IV: Results and Findings

#### 4.0 Introduction

Introduce the chapter and indicate the contents of the chapter

4.1 Present findings according to Objectives

## Chapter V: SUMMARY OF FINDINGS, CONCLUSIONS AND RECOMMENDATIONS

5.0 Introduction

#### 5.1 Summary of Findings

#### **Conclusion: Present as per Research Objectives**

#### 5.2 Recommendations: Present ass Per Research Objectives

#### 5.3 Recommendation for further research

Recommend further research to obtain more answers in depth.

#### 6.0 **REFERENCES**

As per Publication Journal requirements.

## 1.0 TITLE: PROCEDURE FOR PUBLISHING ARTICLES AND CONFERENCE ATTENDANCE / PRESENTATIONS

#### 2.0 PURPOSE

To provide guidelines on article publishing and conference attendance presentation.
